Foreword

- School Life has been chosen as the theme of the 1948 Copa De Oro. In this yearbook, the staff has endeavored to portray events of an average SPSMHS student's life in all phases.
- The many assemblies, athletic contests, dances, club activities, and other highlights of the school year have been depicted in words and in pictures which the staff hopes will be cherished and remembered by all students and faculty in the years to come.

Administration

● South Pasadena - San Marino Senior High School, which is governed by capable leaders, was headed this year by Mr. Laurence Harper, superintendent of schools. Under Dr. Elmer J. Erickson, principal and top administrator of South Pasadena - San Marino High School, the school has gained an enviable reputation throughout California as well as in various other states.

● Miss Jesse T. Oldt, dean of girls, and Mr. James Carpenter, vice-principal, in addition to counseling with and helping students in many ways, are the able advisers of the Boys' and Girls' Leagues.

● Always active in the administration of school affairs is the Governing Board, shown in the right hand corner on the opposite page. On the left is the P-T. A. Executive Board which was under the capable leadership of Mrs. J. Buford Wright.

STUDENT LIFE

Student life is a co-operative enterprise filled with productive and enjoyable experiences open to all who make the effort to participate fully in school activities. Seniors, as you go on to college or on the job and as you enter upon the obligations of family life, the returns from your investment of time and effort in an active student life will accrue in the form of increased ability to exercise good judgment, to discriminate between right and wrong, and in getting along with others. Sophomores and juniors, enter actively into all phases of student life, launch yourselves whole-heartedly into the avenues of participation which are open to you. The time and energy which you expend in student activities will amply repay you by increasing your circle of friends and enriching your personality and character.

Checking absences, sending out transcripts, keeping records straight on books, grades, and students are a few of the many jobs of the office staff. In the attendance office is found, Mrs. Gumaer, in the library is Mrs. Reid who is assistant to the librarian. Mrs. McKay works in the principal's office and the book-room, while Mrs. Dillon is Dr. Erickson's efficient secretary. During the first part of the year Miss Eileen Holmquist held the position now held by Mrs. McKay. Recently Mrs. Margaret Utz not shown in the photograph, has been working part time in the school offices.

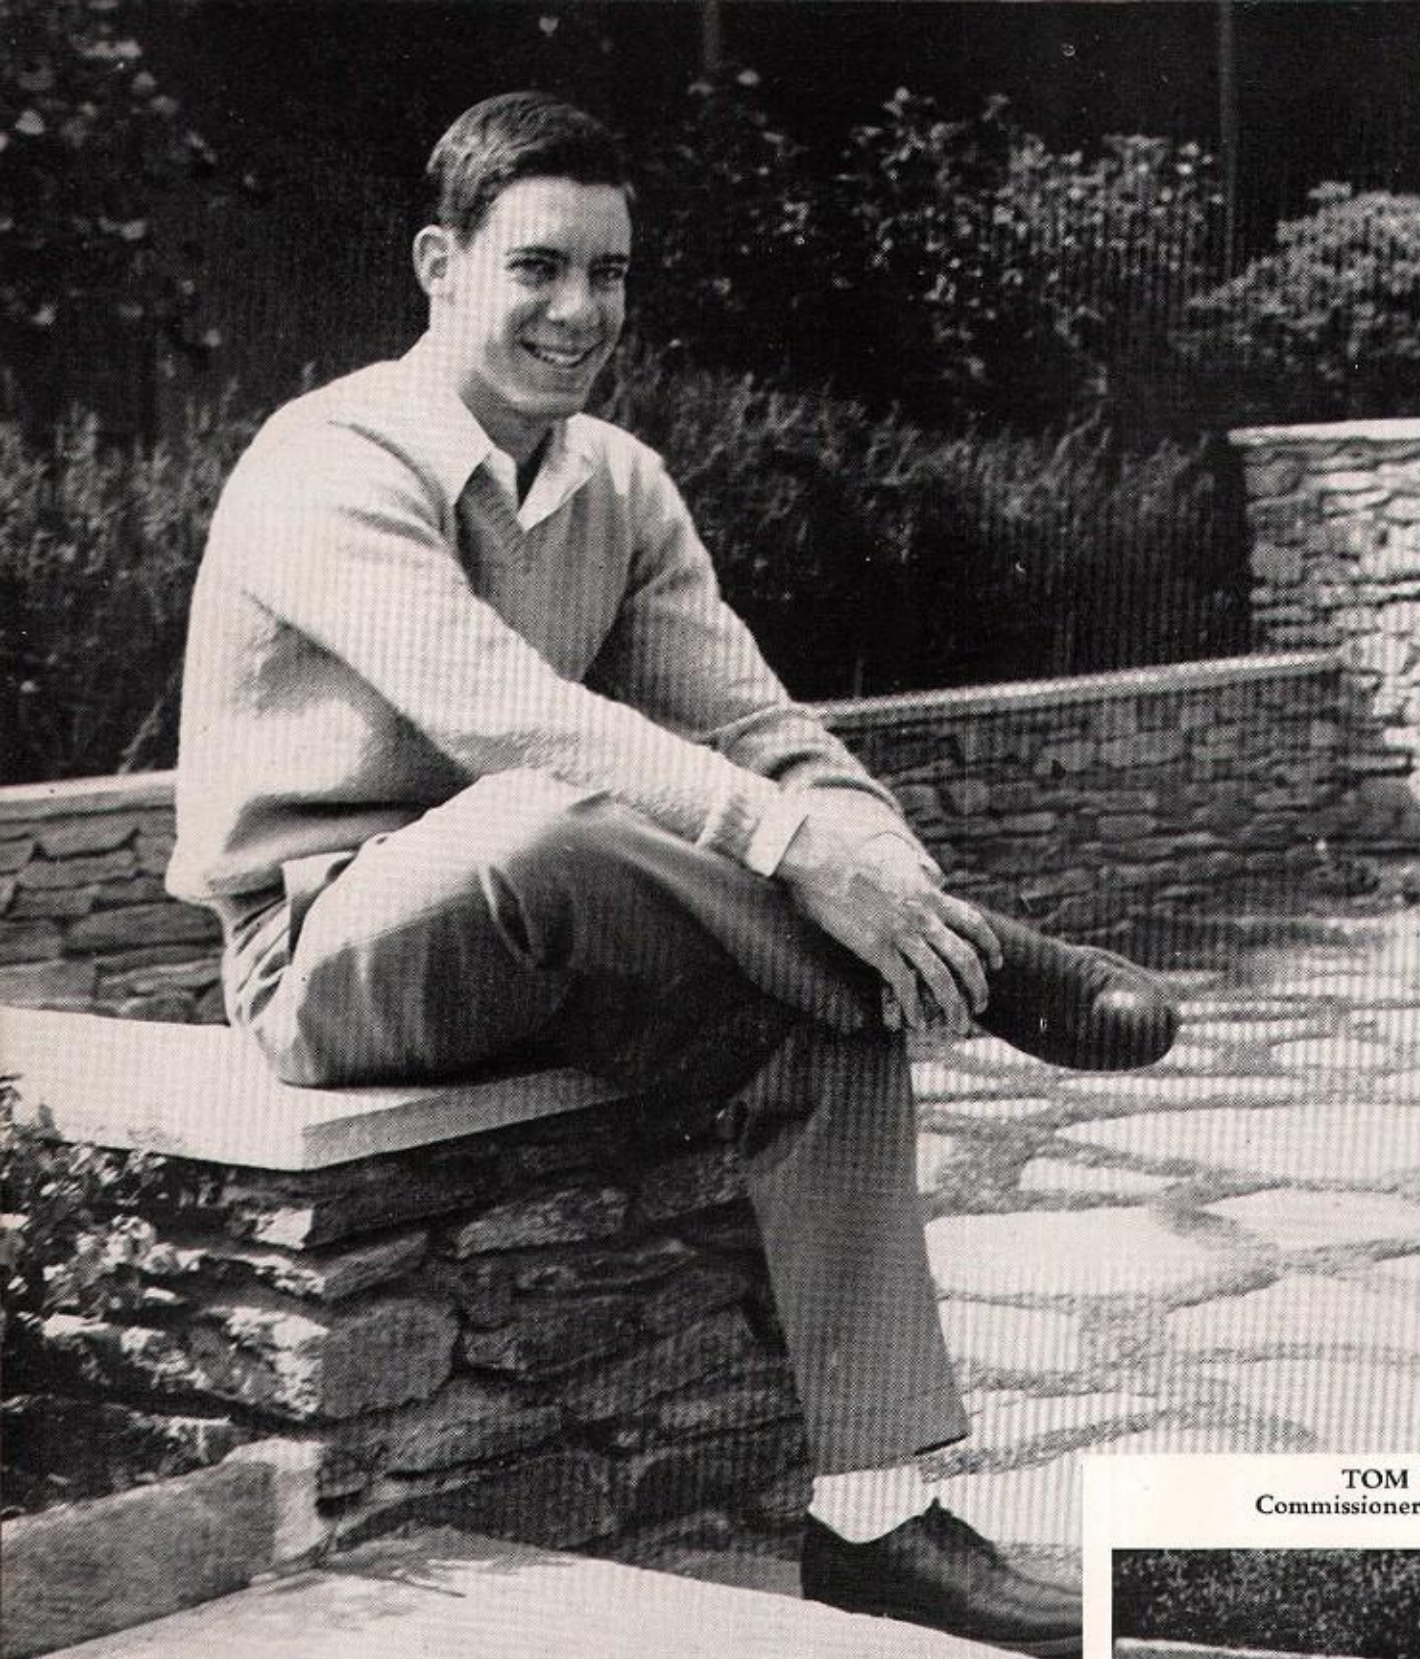

This year's cafeteria staff has done a wonderful job of planning and preparing food for the students. With increases in costs, the job has been hard, but it was carried out in a very efficient way. The staff included the following: In the front row, Mrs. Mary Morgan, Mrs. Elizabeth Kidd, manager, Mrs. Eve Williams, and standing in the rear are, Mrs. Elizabeth Allison, Mrs. Martha Brandt, Mrs. Irene Eastman, and Mrs. Maud Denison.

One of the hardest job on the campus is that of keeping the campus clean. Our custodians have worked very hard, from early to late to keep the campus looking well. Headed by Mr. Michael Sabula, the custodians consisted of Mr. Stephen Zewatch, Mr. Charles Spence, Mr. John Kearns, Mr. H. N. Smith, and Mrs. Betty Baker. Not shown in the picture is "Pop" Keller, janitor Boys' Gym.

JOHN MITCHELL
Commissioner-General

● Headed by John Mitchell, commissioner-general, who has supervised all student body projects, the SPSHMS commission has had a very active year. Under the able direction of Dave Ackerman, who served as commissioner of athletics for the fall semester, Color Day, which was held on October 9, ushered in the football season. The singing of the Alma Mater at the conclusion of each football game did much to build up the "Tiger Spirit".

Commission

TOM MEW
Commissioner of Finance

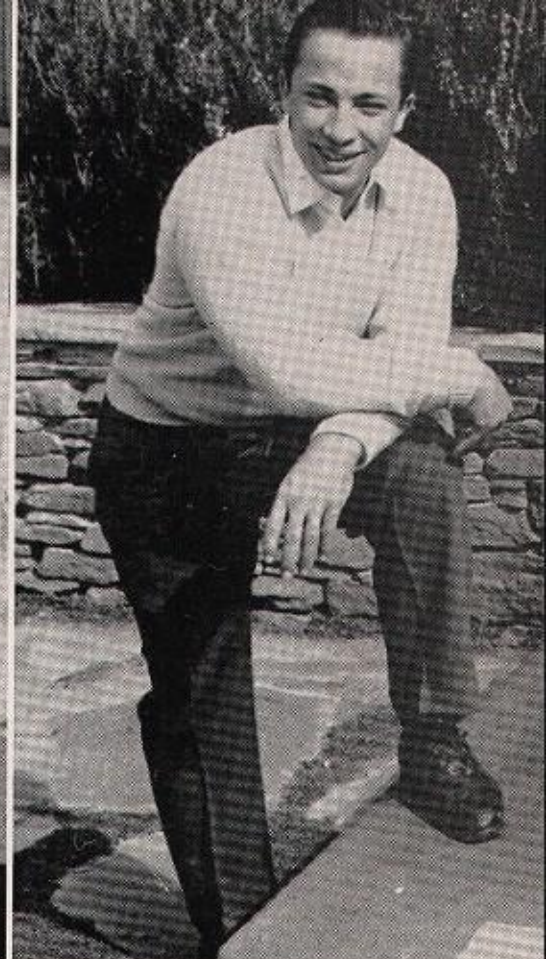

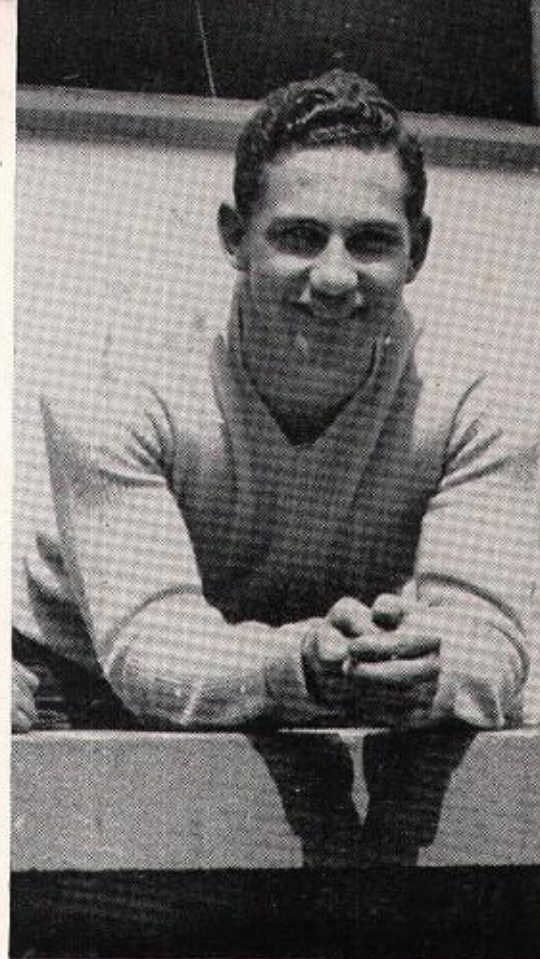

GINNY LAMB
Commissioner of Activities

• Gratifying was the result of the ASB sales, which totaled 98.9 per cent of the students. Much credit for this record is due Tom Mew, commissioner of finance, and Ginny Lamb, commissioner of activities. An outstanding activity of the year was the SPSHMS sponsored 1948 All-League Dance, attended by 1,050 couples from the 11 high schools in the San Gabriel Valley Conference, featuring the music of Les Brown and His Band of Renown, at the Glendale Civic, April 9.

• Galetta Stockland and George Witter, presidents of the Girls' and Boys' Leagues, created the enthusiasm with which Hello Day, February 6, was received. Dave Ackerman graduated with the mid-term class, and Owen officially took over the office of commissioner of athletics on February 2.

• The four other commissioners are Nancy Easley, secretary of the Associated Student Body; Mike Aleshire, commissioner of inter-

DAVE ACKERMAN and OWEN POWELL

ior, who instituted the campus rating plan; and Mary Jane Nolting, commissioner of publicity and co-producer of the movie, "Tiger Topics", who wrote a column which appeared in the local newspapers.

Girls' League

- The Girls' League calendar of events includes the Come to the Circus and Valentine parties for the new girls, the class mothers' teas, Rickshaw Rag, Tabitha Tidbits, the first Girls' League newspaper, the revision of the Student Handbook, the calendar sale, Career Day, the Thanksgiving Assembly, a fashion show, the play, "He Done Her Wrong," a faculty tea, a League picnic, and May Day.

- Able officers of the League under the direction of Miss Jesse T. Oldt, dean of girls, were Galetta Stockland, president; Nancy Helm, vice-president; Nancy Nay, secretary; and Betty Lou Edson, treasurer. Patsy Wright succeeded Nancy Helm when Nancy resigned her position because of illness, and has successfully carried out the duties of vice-president to the end of the year.

- Pom-poms made under the auspices of the Girls' League during football season provided funds which went to the Red Cross. At Christmas time, the cabinet favored the faculty with carols and candy. The League also undertook the task of revising the Girls' League ideals. Mary Jane Nolting supervised revision of the handbook.

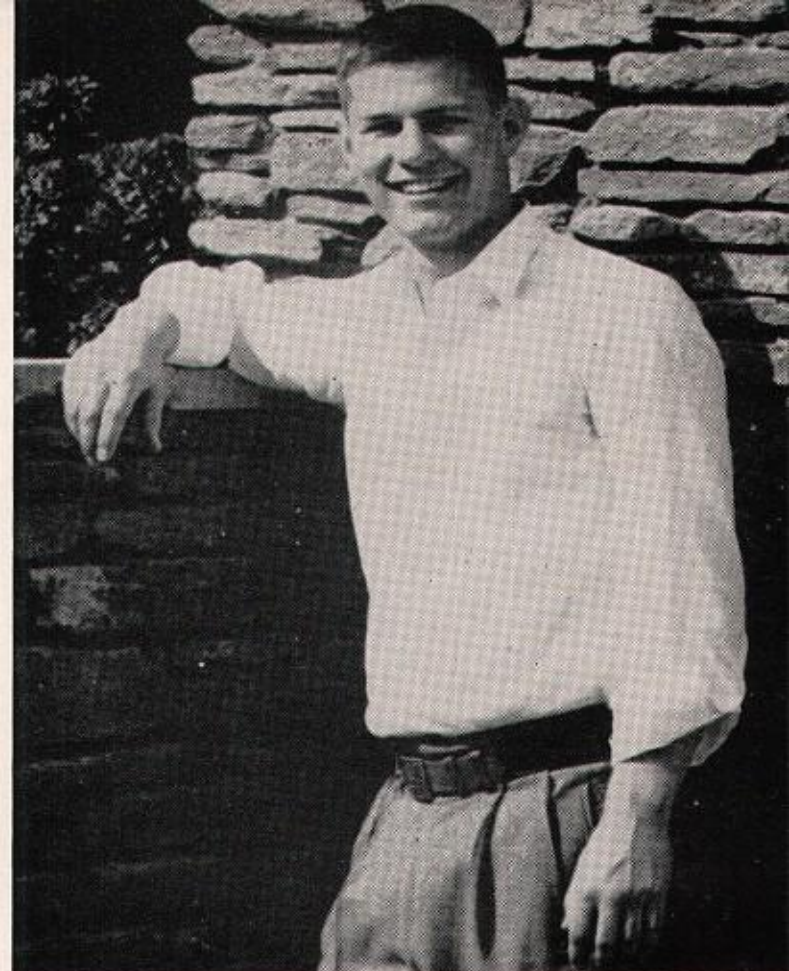

GALETTA STOCKLAND
Girls' League President

GEORGE WITTER
Boys' League President

Boys' League

• Under the advisership of Mr. James Carpenter, Boys' League President George Witter and his cabinet, consisting of Brent Ogden, vice-president; Dick Huyck, secretary; and Dexter Ragatz, treasurer; the members of the League sponsored the Boys' League dance called "Yukon Yump", and the annual Golden Gloves tournament on May 20, 22, and 23.

• Interesting programs presented to the League include the wrestling team from Whittier High School, several motion pictures on sports, a program presented by the Los Angeles Dons, and Mr. Paul Schissler of the Los Angeles Rams. Mr. Carl Vogel of the Federal Bureau of Investigation talked on methods of solving famous criminal cases.

Front row: T. Garrett, Mitchell, Stackpole, B. Garrett, Powell, Mew, Ogden, Huyck.
Row 2: Mr. Carpenter, G. Witter, Ragatz, Boyle, Stevens, McConnell, R. Witter, Dunlap, Platenburg, Rousselot.

A wonderful beginning for a superb year was early arrival of the senior sweaters. Every senior realized his title, then, at the first assembly which was senior sweater assembly. Here Fred Dahl signs for his which is being presented by sweater committee members, Margie Horchitz and Dean Shepard.

This group, the mighty senior officers and adviser, supervised the activities of the class. They are (front row) Owen Powell, first semester vice-president; John Boyle, president; Nancy Scholes, secretary; Miss Rebecca Hayslip, adviser; (back row) Hanns Bauman, second semester vice-president; and Dean Shepard, treasurer.

ON THE SHELF

Seeing the sophomore class through its many trials, tribulations, and good times were the officers and adviser. They are, as shown here George Wright, treasurer; Bob Garrett, president; Gloria Pickett, secretary; Sam Morley, vice-president; and Miss Doris Sayre, adviser.

The first activity of the sophomores was the sophomore mother's tea. Shown here are, serving, Barbara Coombs, and standing, Janet Standland, Rosemary Sater, Suzie Dutcher, and Mariam Ubil.

This fine Christmas booth with the theme printed above it was made by the sophomore class. Booth committee members shown here are George Wright, Linda Schow, Lois Unruh, and Gloria Pickett.

- Every year there are bright, new faces around South Pas's campus to replace the old, tired ones of the seniors who have graduated. These are the sophomores who this year have proved that they are really worth watching in the future. With whole hearted enthusiasm they began at once to take part in the many activities and to receive recognition.

CHAMPIONS AGAIN

• For the second year in a row, the South Pasadena Varsity pigskinners, ably mentored by Coach Frank Williamson, surged through to an undefeated Foothill League championship, and like their predecessors they showed the grit, fight, and determination that is characteristic of all Tiger teams, win or lose, to carry them through the league season unbeaten and the proven master of the division.

• This season the league elevens were unusually strong, and, more than once, there were two or three schools tied for the loop lead, but it was the Tigers that won the ultimate, well-earned victory.

• The Mark Keppel Aztecs, ultimate winners of the Pacific League, provided the Bengals with some of their stiffest competition before bowing in the initial practice tilt 19-13. Then came El Monte, whom the locals waltzed through to the tune of 27 to 0. The letdown that the Orange and Black suffered when the Wildcats of Monrovia held them to a 7-7 tie was quickly rectified as they rolled over hapless Covina 31 to 0 and played superbly in downing Montebello 32 to 6. After sliding by the two toughies of the loop, (continued on page 48)

Glendale and Burbank 7 to 6, the stage was set for their gigantic with Hoover High Tornadoes, but the Tigers were not to be denied as they dispatched the Purple boys in an easy manner 39 to 13. The first game of the 1947 CIF playoffs saw the Varsity whack Santa Paula for the second year in a row 27 to 13. Then came the pay-off; here was the mighty Santa Monica Vikings who

had averaged 38 points a game, but on a dreary evening in December they met Coach Williamson's determined crew of Tigers, who held them to a draw in the first half before succumbing to the Norsemen's superior weight and manpower by a score of 26 to 13. Thus in a blaze of glory, ended one of the most satisfactory football seasons in the Tigers' history.

- The Tiger Bee squad, coached by C. Merrill Green, was headed by three returning lettermen. They had a record of five straight wins before they were defeated by Burbank 6 to 0 in a close league game at Burbank, who later won the title.

- The outstanding players on the squad were Bob Berg and Dick Huyck, guards; Norman Rousselot and Pete Lindquist, quarterbacks; Captain Dick Falk, fullback; Russel Crandall and John Ketchum, ends; Tom Mew and Bob Mooney, halfbacks; and Tom Sawyer, tackle.

- The B's relied on a fine passing attack and although finishing at the top of the second division of the league, they were a much feared club all season.

Bob Berg and Tom Sawyer were chosen all-league. Some excellent material was developed for future varsity squads as most of this year's group will move up next season. Twenty-three boys were awarded letters for their successful season. Much credit goes to Coach C. Merrill Green who works with these young Bees and turns out such fine teams.

honors. Both Capt. John Boyle and Jim Doan were all-Foothill League choices for first team. The squad won 18 games and lost 9.

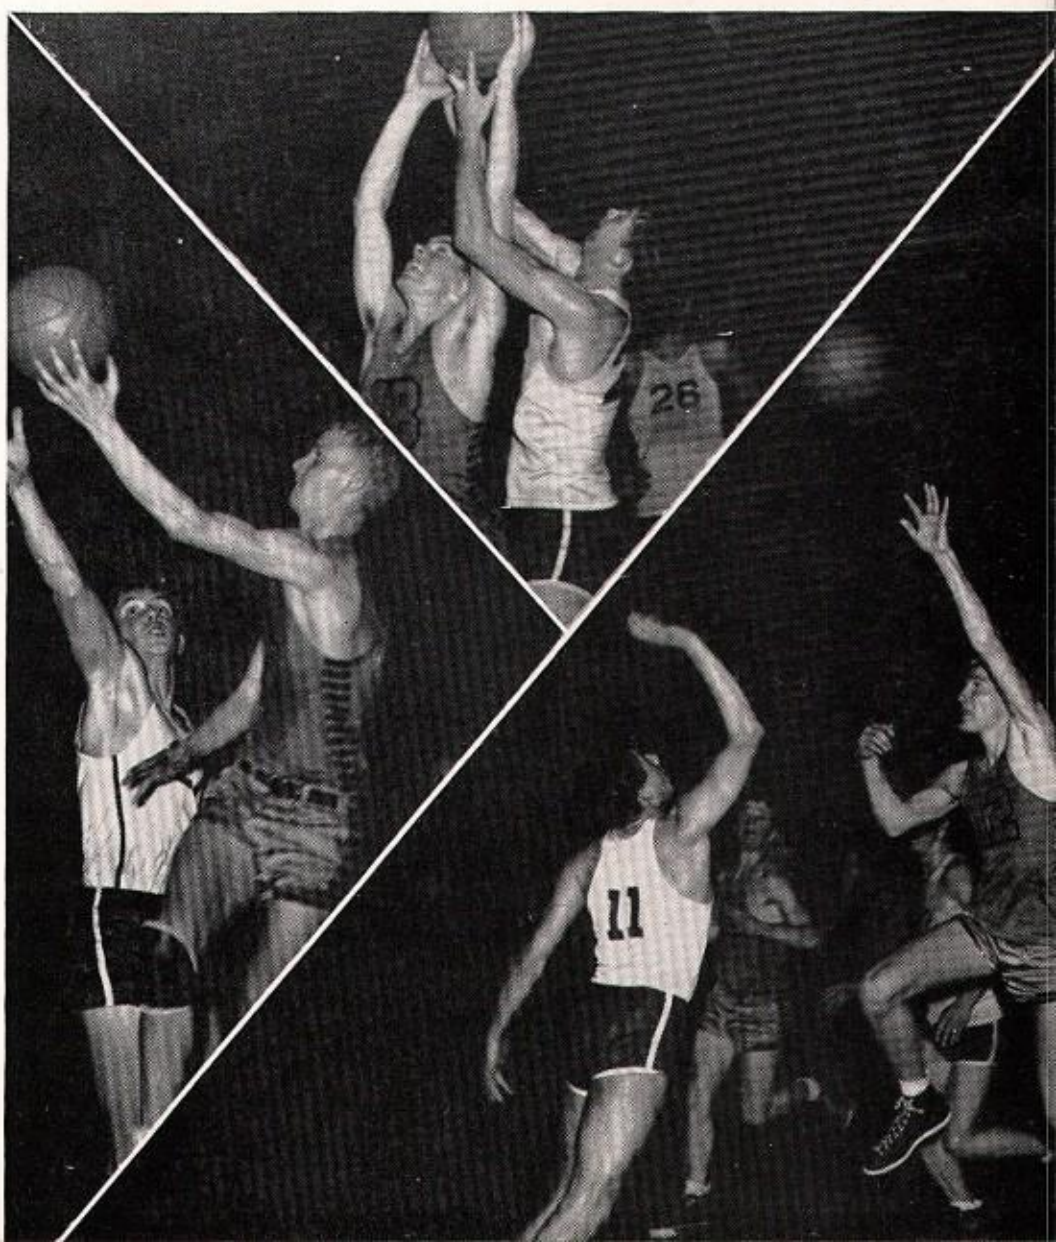

- Coach Green used the Doan twins at forward, Weise at center and Kumer and Capt. Boyle at the guard spots in the starting lineup. Other lettermen were Tony Garrett, Norman Rousselot, Sam Morley, Bob Schow, George Hammond, Lewis Patterson and Ralph Davis, whom will all be back next season. Others were Dave Kenyon, Kenny Good, Al Dunlap and Hans Baumann.

HOOPSTER CHAMPS

- The Tiger Varsity basketball continued its sensational winning streak by taking its third consecutive Foothill League title in a row. A tie in the standings at the end of the season forced the Tigers to meet Burbank on a neutral court. The Bengals turned on a great scoring spree in the closing minutes to defeat the Bulldogs 35 to 32. Jim Doan and Chuck Weise led the scoring with Capt. Boyle turning in a fine defensive game.

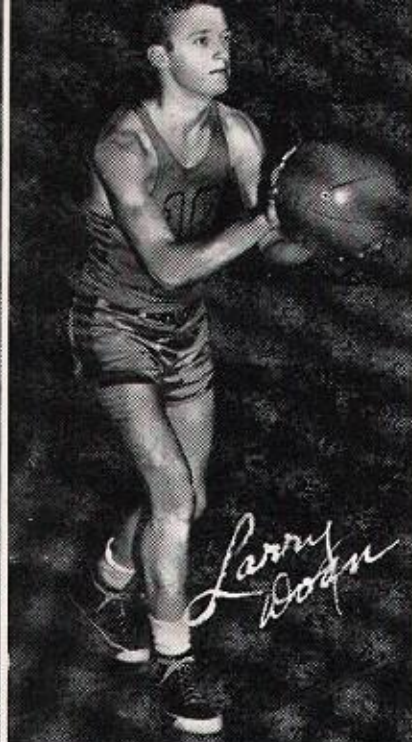

- In the playoff matches the Tigers scored the greatest upset in the southland prep ranks when they defeated the unbeaten Riverside High in the second round 31 to 26. However, in the semi-finals the Whittier Champs were too much for the tired Tigers, and they fell before the Cards 50 to 36 and lost to Compton in the play for third place.

- Jim Doan led the Tiger five by scoring 360 points; his twin brother, Larry, was in the second place spot with 190. The Bengals were not expected to be in running this season, but the excellent spirit carried them into another title. Jim Doan was chosen all C.I.F. - Coach Williamson's Cee basketball squad, captained by flashy Don McLaughlin, finished the league season in number four spot, winning one and losing two.
- The Dee club, captained by Bobby Frank, and coached by Williamson, proved to be a hard luck outfit, as they lost several games by a few points, and finished the season in last place.

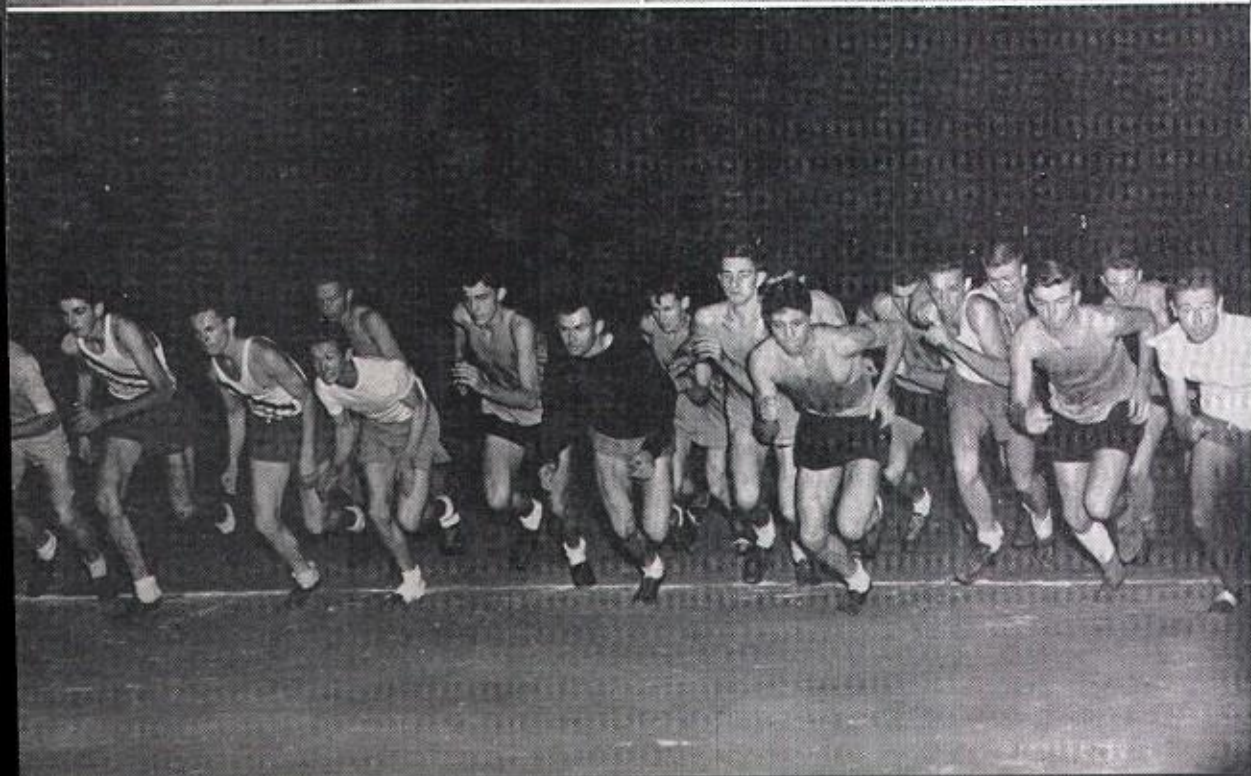

LONG WINDED

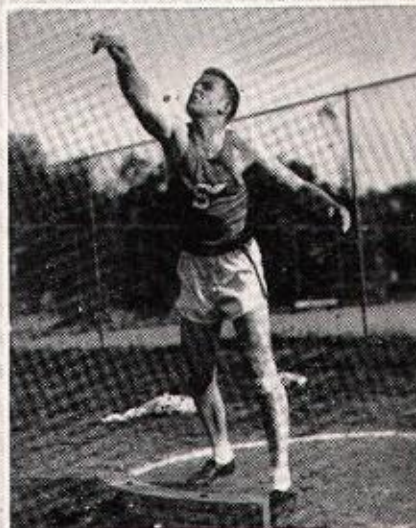

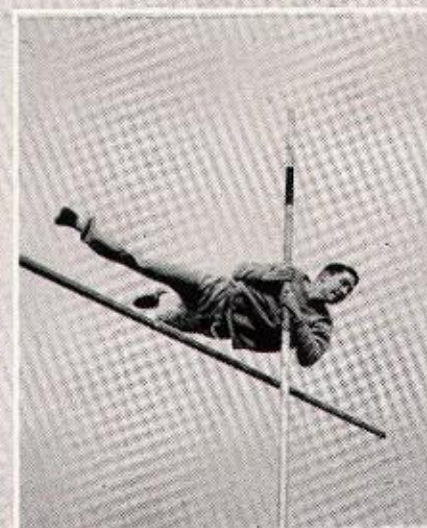

● For the first time in the last 14 years South Pasadena-San Marino High had a Cross Country team, which was mentored by Frank Kamm. Starting practice before school opened and training every day for several months the team ran in eight meets, winning three and losing five. In their opening meet the team met Santa Ana at El Monte, winning by 24 to 31. The following week the team won again, beating Montebello 18 to 39. The next four meets, two of which were three and four way meets, were lost by the

Tiger hill-and-dallers, but our faithful leather-lungers came back to beat PCC 23 to 33. The team closed the season by being beaten by El Monte, and by not being able to place in the CIF finals at Long Beach.

● Running neck and neck for top honors on the team were Dick Swarbrick and Al Hubbard, who each won two meets. Coming up close behind was Mike Aleshire.

OVER THE POLE

● The 1948 edition of the So. Pas cinder machine was ably mentored by Coach Frank R. Kamm. This year's thinclad speedsters dropped only three tussles all year, two of them by less than ten points. Dex Ragatz broke the school's shot-put record three times and was the only unbeaten man on the team. Dex's put was 52 ft. 11 $\frac{1}{4}$ in. Other outstanding men include Dick

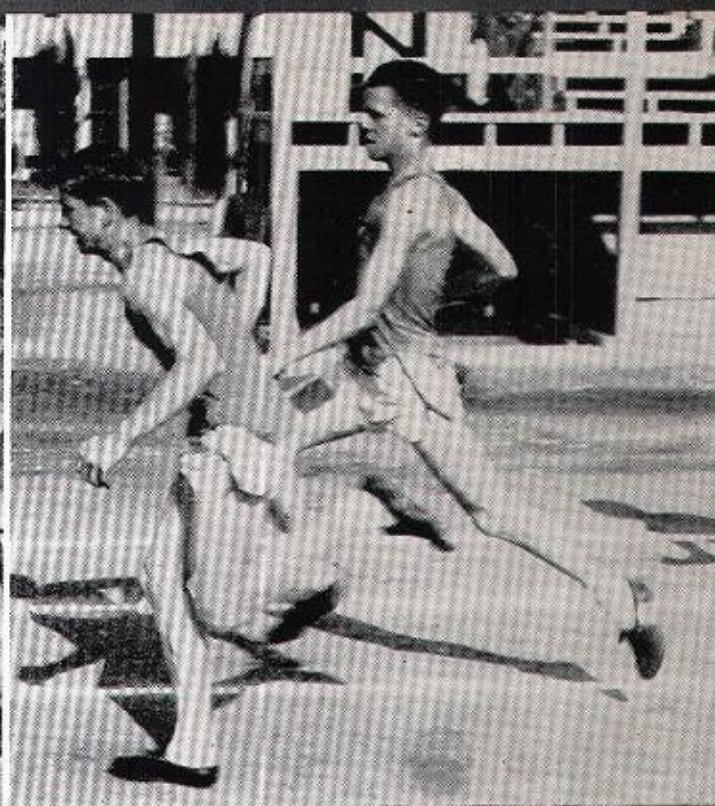

Stevens, beaten only by State Sprint Champ Bradley, Walt Hilliard in the highs, Al DeWilde in the broad jump, Al Hubbard running a 4:44 mile, and relay team of Stevens, Shepard, Kruse, and Hendrickson, who set a new school record of 1:31.4. The Espee thinclads ended the fine season by placing third in the League finals behind Hoover and Glendale.

AND DOWN THE TRACK

● The outstanding event of Bee Track this last season was Al DeWilde's leap of 20 feet 11 inches in the broad jump to set a new school record. Other outstanding boys were Clark Kenyon in the 1320, Steve Lanzit in the 660, and the relay team of Bob Peterson, Jim Ronnow, Parker Hubert, and Irving Anderson.

● For the first time in a number of years So. Pasadena had what might be called a winning Cee team. Point getters were Mel Goldberg in the 100, Dick Eade, who took first in the CIF divisionals in the broadjump, Don McLaughlin in the 660, and Henry Hand in the Shot Put.

VARSITY HORSEHIDERS

• The Bengal Varsity Baseball squad had a very successful season finishing third in the Foothill League standings. Capt. Bob Platenberg led the Tigers in hitting, breaking Tom Fleischman's long standing mark of .520 by batting .541 for the season. Jack Russell and Norman Rousselot were both outstanding pitchers with Rousselot leading. Outstanding in the season's play were victories over Burbank 12 to 3; Hoover 8 to 7; and Glendale 6 to 4.

Ten boys earned their letters and five will return to next season's squad, including Knoeppel, Lindquist, Garrett, Malonee and Russell.

In league play the Tigers won 7 and lost 5. Their season's play, including practice tilts, showed 7 wins and 9 losses. Captain Platenberg was the Tiger's CIF candidate and the winner of the Junior Chamber of Commerce Trophy.

● The Junior Varsity, coached by Frank Williamson and co-captained by Joel Frey and Bill Arterberry, finished third place in the league behind Burbank and Hoove, winning two and dropping three.

● The JV horsehidors sparked by Don Smith, expert twirler, and the all round good playing of Frey, sunk Monrovia 12-6, as Smith sent 19 men down swinging. They then dumped Montebello 7-1, but lost to a strong Covina club 5-1. The Burbank powerhouse gave the Kits a 26-1 licking, and the Hoover Tornadoes out-slugged them 12-5. Returning lettermen Jack Waltz and Arterberry earned their second numerals, while letters were presented to 13 others.

NET CHAMPS

● As the Copa went to press, the Varsity tennis team had won the Foothill League championship and were preparing to defend their Southern Cal Championship in the coming CIF playoffs. The team was captained by Jim and Larry Doan. The team this year was slated to be one of the top prep tennis teams in the nation. Much credit goes to Coach Henry Swart for his third championship team in a row.

● The Jayvee squad won the League title and were undefeated in twelve matches. Some good material will go up to the Varsity next year.

IN THE RING

● The Fourth Annual Golden Gloves Tournament, held May 20, 21, and 22, produced some of the best boxing bouts that have been seen at South Pasadena. Much credit is due to Mark Hamilton who gave his time to train the boys in the art of boxing. The silver glove, awarded for sportsmanship, was awarded to John Bainbridge, who lost in the finals of the lightweight.

ROPE CLIMBERS

● Winners in the decathlon this year were Marshall Gram, Dee division, with 1051 points; Marshall was also the high point champ. Dick Eade, Cee division, with 1029 points; Sam Iwamoto, Bee division, with 1040 points. Bruce Wallace was A division high point man with 920 points.

WHEN IN ROME

• The Comes Club was first organized 25 years ago by Miss Elizabeth Hoag, Latin teacher at that time. ALL THE WORLD'S A STAGE

● "Annie Laurie", the 1947 Peter Pan Players' spring play, was well received. Supporting cast included Laura Spencer as Jeanie MacLoren, Sterling Franck as Lord Ferguson, Carolyn Tinsmon as Lady Gregory,

Yvonne Yarco as Lady Jane Scott, George Sands as Lord Bruce, Bill Inmon as Reverend Wallace, Sarah Ann Davis as Mither MacIntosh, Mary Stanton as Ramsey, Joanne Crogin as Meg, and Alan Cook as Sandy. This fine production was typical of Miss Foote's many high typed productions.

B. W. O. C.

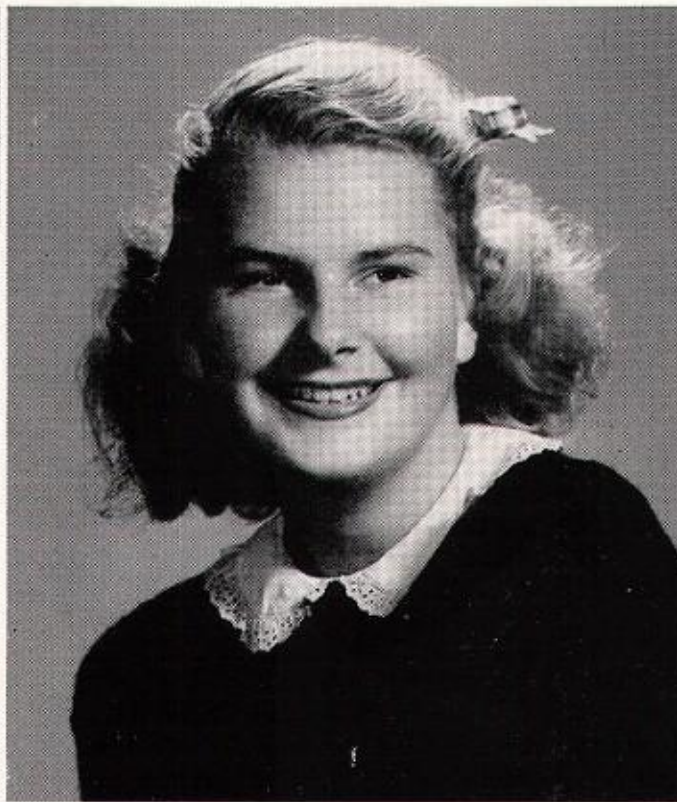

● "Big Wheels on Campus" is really what these six are. Everyone agrees with that. Not only have they lived out the required one year at SP-SMHS and earned 24 grade points, but they have been chosen by a student-faculty committee as really outstanding in fair play—so outstanding,

in fact, that they were presented with the annual Weldon Fair Play Awards which were established by Mrs. W. R. H. Weldon in 1929. These seniors received certificates and gold pins as well as having their names engraved on the school-possessed Weldon Fair Play cup.
